- Due to the interactive nature of the program, all child guests must be at least 6 years old. Younger siblings of the birthday child may attend with a parent/guardian.
- During the behind-the-scenes tour, various stories and topics will be discussed including spay/neuter, pet overpopulation and the importance of being kind to animals.
- There is a non-refundable \$50.00 deposit required at the time of reservation and will go towards the total fee.
