Inspiring students to connect with the community through the giving of their time, talents and resources is an investment in a kinder, more humane future. At the Wisconsin Humane Society, students are some of our biggest supporters and we need their help!

Funds raised by students and community groups enable WHS to provide a safe haven for thousands of homeless, injured and abused animals each year at both our Milwaukee and Saukville locations.

Below are just a few projects that students and groups can get involved in — and have fun doing — while raising funds to help homeless animals in our community.

SALES

These classic favorites are always a huge hit! Hold one at school, in your neighborhood, or outside a local store (make sure to get the store's permission).

-  **Bake Sales**
-  **Rummage for Rover**
-  **Lemonade Stands**
-  **Dog Treat Sales**

PLEDGE DRIVES

Ask friends, family and neighbors to donate funds based on the quantity or time spent doing an activity:

Tune-Out or Unplugged for the number of days without using electronics.

Reading for Rover for the number of minutes spent reading books.

Pianos for Paws for the number of minutes spent practicing piano.

Waves for Whiskers for the number of laps swam during swim practice or on a team.

GROUP PROJECTS

These fun challenges can be held by a class, scout troop, whole school or as a competition between classes or groups.

Penny Wars or Cash for Critters

Students bring in extra pennies to add to their team total, or silver coins to subtract from another team's total.

Dress-Up Days

Students (and adults!) wear pajamas, jeans or other fun outfits in exchange for a monetary donation or wish list item.
